

BETHLEHEM CENTRAL TENNIS BOOSTER CLUB

The tennis season is now under way and the booster club would like you to join us to help make this season a successful one. The mission of the Bethlehem Central Tennis Booster Club is to help raise money to purchase items not included in the normal school athletics budget. Fund raising activities have enabled us to purchase new wind screens, tennis nets and an equipment storage shed! Other needs for our program include court squeegees and ball baskets. Funds also subsidize team uniforms, indoor court time and bus fees.
